

I'm so proud of you...

Dear Maria,

I wish I could come down to see your defense, but although I can't, I do want you to know that I will be thinking of you all day. I am very, very proud of you, and recognize not only how difficult what you are doing is, but also understand some of the peripheral roadblocks you have had to overcome to get where you are. I am so proud of you and so impressed with the work you are doing. Absolutely amazing to see all that potential now realized.

The very best of luck and all my love and please please call me (at work) the minute you are done!!

*I love you
You are the BEST!*

*Your big sister Jo, and also
John, Eva, Isaiah, and Frankie
