

## President's Meeting

Date: August 1, 1997

Time: 3 PM - 7 PM

Location: Burlington Waterfront Science Center  
UVM Research Vessel Melosira

Judith Ramaley & Marc Vanderhydt

**Purpose:** The goal of the President's meeting was to acquaint the Board of Directors of the LCRC, their representatives and Senator Leahy's office with the new Science Center, the goals of the LCRC and some of the research that is being conducted on the lake, (via a short cruise on the R/V Melosira). This was then followed by an informal get together with appetizers that was graciously supplied by Saint Michael's College. The following are a few of the photographs taken at that meeting.

Al McIntosh, Betsy Rosenbluth & Pat Manley

Doug Facey, Tom Manley & Betsy Rosenbluth
